

## **AVERY COONLEY HOUSE**

300 Scottswood Road and 281 Bloomingbank Road, Riverside

One of architect Frank Lloyd Wright's most famous designs, this long, low, multiwinged complex—essentially an enlarged "Prairie house"—was built in 1907-1909. Typical features include strong horizontal lines, stucco and wood construction, low-pitched roofs with broad eaves, impressive chimneys, and careful integration with its site. Wright considered it one of the best of his early buildings.
